MYSTERIOUSLY DISAPPEARS

J. W. Tiley, night officer of the Belle Vernon police force is mysteriously missing from his cell in the borough jail where he had been lodged yesterday on a charge of aggravated assault by his Chief, J. W. Anderson, after a warrant had been sworn out before Justice of the Peace E. S. Young by several young men whom he is alleged to have attacked Monday night.

According to the story Tiley was escorting a drunk to the Belle Vernon "coop" and when nearing the jail the prisoner suddenly became weakened and could not move any farther. Tiley instead of calling for aid from bystanders, which it is said they were expecting, and waiting for the word, tried to drag his prisoner along and is alleged to have treated him in a very brutal manner. The prisoner when lodged in jail was found to be covered with blood from contact with the stones in the streets which he was alleged to have been dragged over and bruises and scars covered his body. After lodging the man in jail, Tiley returned to where a crowd of citizens were, and was told that a party had made a remark "that he was using unnecessary force." This angered him to such an extent that he started in to clean things up and a free for all in which about 10 contestants were mixed up resulted.

The warrant for Tiley's arrest was sworn out yesterday morning and he was arrested by his Chief. The man is thought to be hiding in Greensburg and the authorities at that place will be asked to locate him. Greensburg was his former home.

TITANIC SURVIVORS ARE RECEIVING AID

As stated in these columns sometime ago there are five Titanic survivors residing in Monessen. Two of this number are still receiving aid, one from the Red Cross society and other from the White Star Line. Erick Jussila, a Finn, had a harrowing experience but he escaped with his life only. All his baggage and many valuable articles went down with the wreck. Erick was rescued on a life boat and tossed about the sea and several times came nearly being toppled into the waters. He landed in this country penniless and without any personal effects except his ticket.

He came to Monessen and wandered about several days and finally appealed to Alfred Tanzer local representative of the White Star Line, who in a charitable manner appealed to the company for some assistance for the man. In a few days a check for $100 came and Mr. Tanzer then wrote full details of the case and now has in his office awaiting the call of Erick another check for $200. The man is a physical wreck and cannot overcome the nervous shock. He is not able to work and will not be for many months to come.

Another case here even more pitiful is that of Mrs. Ellen Hakkarainen, who left Finland a bride of three months in company with her young husband. The man lost his life in the awful wreck and the woman was left to land in this country a stranger. She was bound for Monessen and arrived safely. But what to do when here was the next question. All the personal effects were lost. The woman was not only left a widow but she was left in poverty and was adrift a stranger in a strange land. Her condition has made it impossible for her to go to work and aside from that she is still suffering from the shock. She also appealed for aid and received $150.00 and is getting $25.00 a month from the Red Cross society. This contribution will be kept up for possibly four more months or until her condition warrants her effort to obtain an income sufficient for her support. The other three have not been heard from since the day they landed in town but it is believed they are at work and are able to make their way.

Tickets for the Colonial entertainment June 4th, can be exchanged Friday at Eddy's Drug store. 3-6t

Save Your Teeth

Many years ago we gained a reputation for extracting difficult teeth—we have been in successful practice for twenty-five years, seven of which has been in Monessen, and in that time we have extracted thousands of teeth. We think it almost unnecessary at this late day to tell you that we are leaders in this particular work.

For the painless extraction of teeth we have the best gas apparatus it is possible to have—also the very latest local anesthetic. We have the latest methods—keep abreast of the times But we advise you to save your teeth.

Memorial Day To be Observed

Tomorrow, Thursday, May 30, the day set aside throughout this broad land, North and South has a day for memory—memory for the old soldiers who fought in the war of '61-'65, the American Veterans of Foreign Service—soldiers of the Spanish-American War—and friends, we have laid away in the quiet churchyard.

While Monessen is young in years and there are not many soldiers living here, or many veterans' graves within our cemetery to be remembered the town will be practically "closed." That is, respect will be shown in-so-far as a cessation of business and the like is concerned. Most business places will be closed, and for the first time in history the hotel bars will be closed in compliance with the late ruling of Judges Doty and McConnell of this county. Stores will close up a part of the day at least, and services will be held in many of our churches.

In the morning and during the day loads and loads of flowers will be taken to the cemetery by friends and placed on the graves by tender hands. While many having friends resting in other towns will remember them by a visit and strew flowers thereon.

Wednesday, today, we have at the Olympic Theatre the greatest French drama, "Cyrano of Bergerac," which was played in the largest theatres of the world. The same was played last winter at the Nixon theatre, Pittsburgh. Don't miss this. 1t

The Methodists Do Up Baptists

In a pitcher's battle last evening at Page park the Methodists trimmed the Baptists by a score of 4 to 1, just barely missing daubing a coat of kalsomine on the "Hardshells." Only two hits were apportioned by each team but the Methodists secured both theirs in the same inning and with men on bases. Derby put up a good game at third for the M. E's. as did also McCandless who caught. Krepps pitched a corking good game striking out ten batsmen, allowing three to walk and holding his opponents to two scattered hits. Carr also pitched good ball but the breaks all went the other way.

The Methodist's scored their runs in the second like this. Gibson by some fast sprinting stretched a long single into a double, Johnson reached first on an infield play and McCandless struck out. Krepps walked filling the bases Right here "an ivory dome" stunt by Krepps in attempting to steal second with the bases full resulted in a wild throw by Gillespie in an attempt to catch him and two runs counted. Southern knocked a long one to left center for three bases scoring Krepps and he added another run a minute later when Eddy almost caught Winwood's short fly. The Baptist's didn't count until the final round when Carr reached first on an error and made the lone tally when Bosworth drove out a long double There will be no game this evening in the League.

HIGH SCHOOL COMMENCEMENT TONIGHT

The High School Commencement, Class of 1912, will occur this evening in the opera house and great preparation is being made therefor. There are nine members in the class and the program as heretofore published through the columns of the Daily Independent will be carried out. The board for procuring tickets is at Mikalarias & Berbates' confectionery and in order to avoid the evening rush it would be well to procure seat tickets in advance, although there will be no charge. Only a matter of convenience for parents and friends of the class members. The exercises will be of unusual interest and it's the duty of all who are interested in educational work to attend.

Page to Play Charleroi

Tomorrow afternoon at 3:30 o'clock at Page park, the strong Charleroi Independents will be the attraction. Charleroi has been playing winning ball so far this year and have met and defeated some of the strongest teams on the Independent circuit. The game should be a good one as both teams will have their strongest line up in the field. Kiefer will in all probability pitch for Charleroi with Makepeace on the receiving end. Ryan or Hogg will do slab duty for the locals with Underwood behind the bat.

The Turners of Monessen have been engaged to play at Eldora park Sunday afternoon and evening. The Monessen Turner band is now one of the best in the valley and its efficient manager George Sherwin is securing some engagements where only the best can furnish music.

CARD OF THANKS

It is our desire to express most sincere thanks to those who were so kind and considerate during our recent bereavement in the loss of our little son, John James King. Every action of neighbor or friend, however small, is appreciated in the most profound sense, and those who tendered floral tributes we thank in all sincerity.

Most truly
Mr. and Mrs. D. P. King.

EX-PHONE LADY IS TO MARRY

The many friends of Miss Laura Snyder will be surprised to learn that the date of her marriage has been announced. Miss Snyder was for several years chief operator at the local telephone office and was known by everybody as one of the most efficient and obliging employes the company ever had in the local office. Through her courteous manner, agreeable disposition toward the public and the many other excellent traits she made a host of friends. Her marriage will take place June 6th to Mr. Harry Westbecker of Gary, Indiana. The Monongahela Times of Tuesday says:

"At the home of Mrs. Charles Speakman, on Fourth street, last night a surprise miscellaneous shower was given in honor of Miss Laura Snyder, one of this city's most popular and accomplished young ladies. The affair last night was a very pleasant event and proved to be quite a brilliant success as a surprise shower. Miss Snyder was the recipient of many beautiful and useful gifts. About eighteen lady friends were present and the evening passed was one of rare enjoyment on such a happy occasion Music was a feature of the evening. At a late hour dainty refreshments were served by Mrs. Speakman, Miss Minnie Snyder and Mrs. Gertrude Deforrest, all sisters of the honored one, and Miss Bess Acker. Miss Snyder is well known in this city and is the daughter of Mr. and Mrs. Jacob Snyder, of New Kensington. She has made her home in this city for many years and through her charming disposition has won a host of friends. Mr. Westbecker was a former resident of Monongahela and has many friends here. At present he is located at Gary, Indiana, where he is engaged in business of his own. The wedding will be one of the society events of June."

Occurring to our mind is a very apropos suggestion: That the dangers of street crossing be taken up by school boards and they in turn suggest or advise their teachers to instruct and caution pupils as to the dangers arising from the passing of automobiles and vehicles of all kinds, especially at street crossings. Then, too, instruct along the line of care, caution and judgment on the part of the one crossing the street, for therein lies just as much danger as does with the one driving a team of horses or an automobile. Many accidents occur where the driver is censured wrongfully, where the carelessness was on the part of the pedestrian. Hence children should be taught to exercise care, looking both directions and seeing that the street is clear of danger before starting across. On the other hand, the sudden and discordant toot, toot of an automobile horn, oftentimes is just as liable to frighten a child into running directly in the way of a fast approaching machine as otherwise. Hence it seems that it would be practical to have some form of education along the line of "caution." A little talk from the teacher every few days, just before dismissal from the school room, cautioning the pupils regarding the dangers lurking at street crossings, and a word now and then by the parents at home, would go a long way toward averting many of the accidents that are occurring on streets every day. Teaching the child to be careful when crossing streets, in no-wise relieves vehicle drivers of responsibility, for they too, should be taught to exercise particular care when they see children, or even grownups about to start across streets. In the first place, if they haven't enough gumption or mother-wit to exercise the proper amount of care, they should not be entrusted on the public highway with a conveyance. And further, on failing to use caution and care to the proper degree, they should be taught, through the enforcement of the law, efficacy of being watchful and considerate of the safety of the young, middle aged and aged when crossing streets or public highways, on which all have rights, each being entitled to the care and consideration of the other.

MANY REMARKABLE RESULTS OBTAINED

GREAT GOOD BEING DONE BY APPLICATION OF MODERN IDEAS

Intense Interest Is Aroused Wherever New Treatment Has Been Offered to the Public.

There are many thousand of debilitated, nervous men and women in this country who will read this item with much interest. Not in many years has a new product created so much discussion as that now going on over the remarkable success of a modern triumph of pharmacy now obtainable generally of druggists, and known to the trade as Wade's Golden Nervine.

Men and women in all walks of life are enthusiastic in their praises of the new treatment. A few of their statements are here quoted: "I am thankful your treatment was brought to my notice," says Rev. Robt. Barnes, of 1133 N. West St., Indianapolis, Ind. After suffering for years from Nervous Debility, your treatment certainly brought me out after others had failed. I make this statement to show my appreciation, and with the hope that others may profit by it."

Mrs. Nan Williams, 542 Toledo Ave., Marion, O., is a lady who received wonderful benefit. She said: "Your treatment has done me so much good. In my work I meet a great many afflicted people, and you may rest assured I will recommend it, for I think it is grand."

In view of the enormous number of men and women everywhere who become weak and haggard looking long before their time, who lack strength and vitality, and suffer from nervous debility, nervous indigestion and headache, weak heart, insomonia, (sleeplessness,) the knowledge that a reliable treatment is at hand will be welcome news.

The fact that this product contains no alcohol, morphine, or any other narcotic whatever, and while being exceptionally soothing to the nerves is at the same time a most efficient upbuilding and nutrient tonic for the system, makes a strong appeal to the discerning men and women who feel the need of a genuine restorative treatment which is free from all objectionable ingredients.

Some of the druggists report the demand for Wade's Golden Nervine is such as to warrant them in buying direct from the laboratories of the manufacturer. This was the case at Eddy's Drug Store.

The contents of one box removed the pains in my back and corrected the difficulty with the kidney secretions. I am now entirely free from kidney complaint and give Doan's Kidney Pills the credit."

TO MAKE INSPECTION OF NEW PIECE OF ROAD

County Engineer Shields will be here Friday to go over the Monessen-Priedale road with a representaive delegation of citizens from the Board of Trade. The work on this road has not been progressing to suit people interested. Taxpayers are complaining both about the progess of the job and the way the work is being done. F. J. Erbeck secured the contract from the former board of county commissioners for $73,000 and started grading. Later he sub-let to Contractor Carothers of Greensburg who is now on the job. The county commissioners will have nothing to do with sub-contractors and the people of Monessen and Rostraver township are going to demand the completion of the job by August 1st. The work it is said is being done in a rough shod manner and not in keeping with the specifications. Taxpayers charge that the foreman on the job is not an experienced road man and they expect to go after the commissioners and urge a more business like ,stem so that the road can be built by the time mentioned in the agreement.

Personal Workers' Convention

The second annual convention of the "National Mens Personal Workers League", was held in Youngstown, Ohio, Monday of this week, the principal speaker being Billy Sunday who left his work in Beaver Falls for the day to meet the delegates assembled there. At the evening meeting Mr. Sunday addressed over 2,000 men of the League in the Trinity M. E. church.

At the election of National League officers in the afternoon, A. W. Ferren, secretary of the Monessen Personal Workers League was elected assistent secretary to W. B. Van Gorder.

Frank Cummins represented the Monessen League in the convention. The next convention will be held in Canton O. in January.

A Point of Correction

One point in the Daily Independent's report of the Baccalaureate sermon preached to the High School graduating class in the opera house Sunday night by Rev. G. R. Alban was misleading, but not intentionally so. The portion of the report where the wrong construction was given was in the following parargaph. "It stands the educated well in hand to be on guard for it is he or she whom the evil one seeks to ensnare or get within his power; he cares not so much for the poorer and uneducated, considering to a great degree that they are his anyway." Now the point as brought out by Rev. Alban in his excellent discourse carried no reflection whatever toward the poorer or less educated, but rather the opposite as will be readily inferred by noting the following taken directly from original notes:

"Let us consider what we may call a privileged life, we may turn away from those who have been raised by law or custom to places above the average or those who have exceptional advantages by birth, or accident or great wealth. It is not the man who tries to monopolize the world such as the oil king, coal king, steel king, etc., who try to keep the poor man's nose to the grindstone, that the devil is seeking; for he believes that he has already got him. But he wants the men and women who have entered into the privileged life by preparation, and have became a power, and influence because of their education."

The poor have always been the people of God and the object of the Baccalaureate Sermon was to bring out this one plain truth, that the devil desired to win the educated because of their power, and influence that he, through their power and influence might win the poor, and uneducated unto himself and his Kingdom.

BASEBALL NOTES

Krepps 10 strike outs for last night's game sets a new record for this season. The former one was 9, held by Johnson of the Methodist's.

All sorts of utility players adorned the bench for the Methodists last evening, almost enough players for two teams being lined up.

Two new faces made their appearance in the lineup of the Methodists, Southern at first base and McCandless, catcher. Both showed up well.

Fred Gillespie was elected captain of the Baptist team last evening before the game.

Leonard made a strong bid to stop Gibson's two-base smash over second in the second inning but the ball was going too fast and he only got his hand on it enough to deflect it's course away from the fielder.

Tomorrow afternoon Page will play the strong Charleroi Independents at Page park and immediately following the Lutheran's will tackle the Catholic's in a Church League game.

A new approach has been opened up to the grounds now. A path has been cleared from Donner avenue through the subway and the climb over the railroad tracks can be avoided.
